

Annual International DIC Society Conference November 7 – 10, 2022 in Boston, MA, USA

General Call

The International Digital Image Correlation Society (iDICS) is inviting your participation in its annual conference in Boston, MA, USA. Please join us to hear from cutting edge DIC researchers and present your own DIC research and applications.

All Digital Image Correlation topics are welcome, including:

- Algorithms and computation methods
- Global and adaptive methods
- High-speed and modal analysis
- Infrastructure and full-scale testing
- Materials testing and constitutive models
- Novel imaging modalities
- Energy systems and materials
- Standardization and uncertainty
- Digital Volume Correlation
- Aerospace and automotive
- Biomaterials and medical devices
- Microscale measurements
- Advanced manufacturing monitoring
- Petroleum and geosciences

iDICS Classes (Monday, November 7)

- AM • DIC 101 – pt. 1 (Level 1 certification topics)
- Patterning (how to speckle anything)
 - High-Speed Digital Image Correlation
- PM • DIC 101 – pt. 2 (Level 1 certification topics)
- Advanced DIC (intro to Level 2 certification)
 - Modal Analysis with Digital Image Correlation

Committee Meetings (Tuesday-Thursday, November 8-10)

- DIC Challenge – Learn about the latest images and analysis and help set future challenges
- Standards and Good Practice – help contribute to updates and extensions to *The Guide*
- Training and Certification – learn about certification exams developed by iDICS

Conference Fees

- General Early Registration (includes iDICS membership): \$875 (non-early \$1000)
- Student Early Registration (includes iDICS membership): \$400 (non-early \$525)
- iDICS Classes (only available with conference registration): \$400 (full-day) / \$200 (½-day) (student rate \$200 / \$100)

Abstract Submission

- 2-Page extended abstract format + presenter photo
- Submitted to www.sem.org/idics
- No full paper required.

Important Dates

- Registration opens August 15, 2022
- Early Registration until September 15, 2022
- Abstracts due ~~July 1, 2022~~ **August 29, 2022**

iDICS Mission: Extend – Improve – Train

Extending the Frontiers: Training the next Generation
Standardizing for Industry: Improving our Practice

iDICS Board

- (President)
Mark Iadicola
(Vice President)
Brian Bay
(Vendor representative)
Tim Schmidt
(Treasurer)
Stephen McNeill
(Board Members)
Julia Cline
Daniel Turner
Julien Réthoré
Phillip Jannotti
(past presidents)
Michael Sutton
Phillip Reu

Venue: Revere Hotel Boston Common
200 Stuart Street, Boston, MA, USA
